

Biotech Resources Group (BRG) focuses on the GMP Manufacturing side of things. Globally.

We help clients improve their manufacturing/operational state and position for current and future demand.

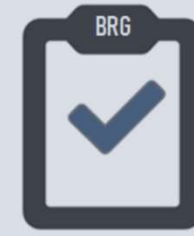

Our global clients are CDMO's , Innovators, NewCo's, and Joint Ventures that need to:

- ★ Design/Build new GMP factories
- ★ Expand existing GMP factories
- ★ Remedy underperforming GMP sites
- ★ Site Selection – Tours, Incentives, Terms
- ★ Find/Qualify/PM a suitable CDMO for DS/DP
- ★ Create & Execute a Master Hiring Plan
- ★ All of the above!

The BRIDGEONE service platform provides a comprehensive arsenal of tools, services, and solutions that improve a customer's GMP Manufacturing state and position, allowing them to keep pace with long-term therapeutic demand.

## CHALLENGE + OPPORTUNITY

Biotech Resources Group (BRG) focuses on fixing and improving the Clinical and Commercial Manufacturing side of things.

### Companies turn to BRG when looking to:

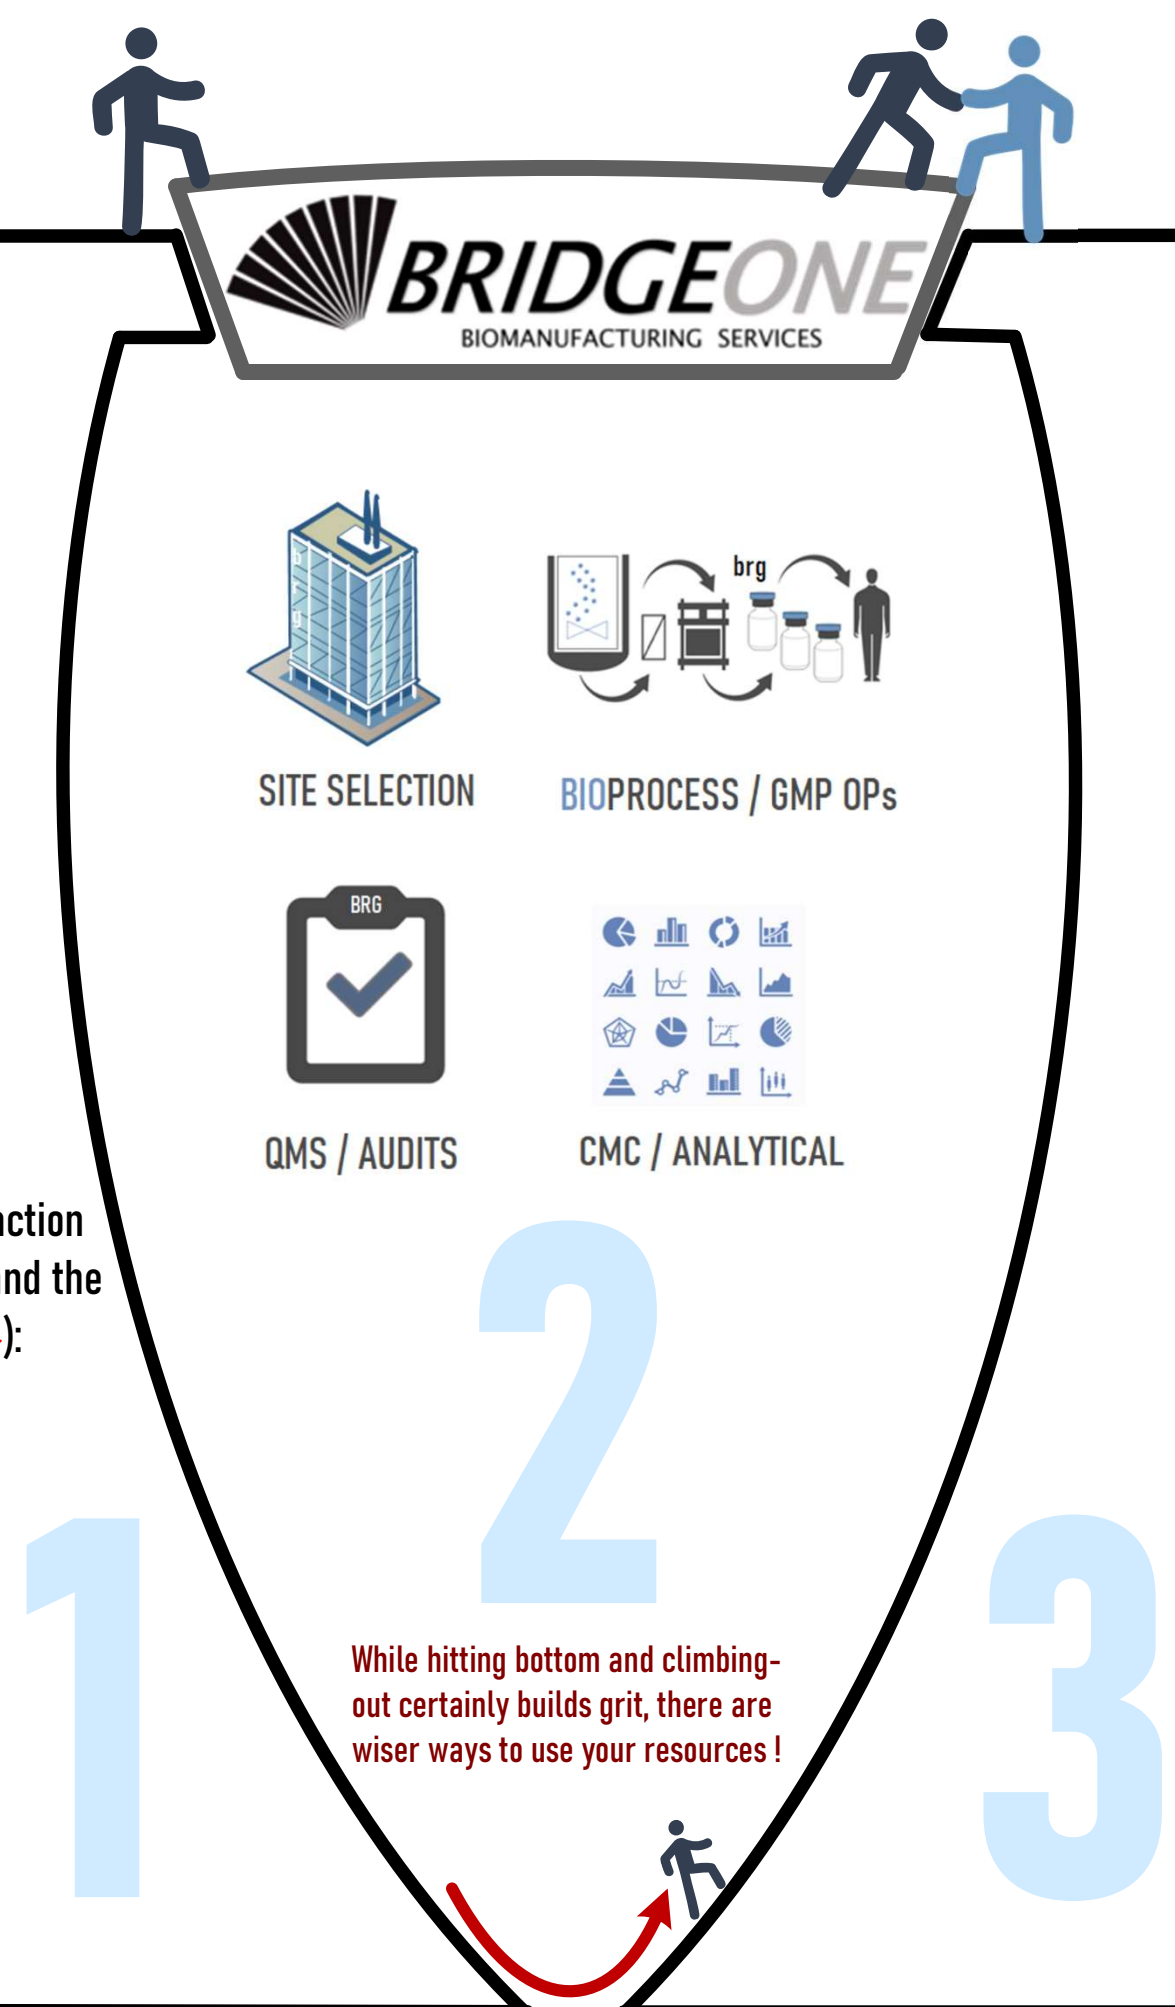

- ✓ Design & Start-Up a GMP Site/Campus
- ✓ Remedy Underperforming & Legacy Assets
- ✓ Audit global CDMO's (capacity increase)
- ✓ Manage a Techno-Economic Assessment
- ✓ De-bottleneck a factory line, ↓ COG's
- ✓ Manage Site Evaluation, Scoring, Award
- ✓ Create/Manage a Master Hiring Plan

### Bridging-the-Gap

Whether an opportunity or challenge, the risks linked to inaction are needlessly high. When the GAP between current state and the objective state expands, most outcomes are undesirable (↓):

- ↓ Facility Shut-Down, Attrition
- ↓ Asset Utilization / ↑ COGs
- ↓ Customer/Patient Trust
- ↓ Investor Confidence
- ↓ Revenue / Liquidity / ↑ WACC
- ↓ Competitive Edge /Marketshare
- ↓ Severe Regulatory Citations (link)

## SOLUTION: BRIDGEONE

## The PRIZE

The diversity and breadth of the BRIDGEONE services will guide your team across the bridge.... one step at a time.

### Imagine taking these steps

As you cross the bridge, you'll make substantial improvements across your entire organization and internal/external networks.

### PRIZE (Consequence of Action)

- ↑ Improved GMP Performance + COG's
- ↑ Attract and Retain Customers
- ↑ Increased Factory Output
- ↑ Improved Batch Predictability
- ↑ Restored Patient/Community Confidence

### BONUS OUTCOMES !

- + Celebrate with your teams!
- + Attract and Retain Top-Talent
- + Restored Investor Confidence
- + Elevated Status/Trust with Regulators
