We do this for you:

Biotech Resources Group focuses on the GMP side of things

We help clients improve their manufacturing performance & competitive position

Companies (CDMO's , Innovators, NewCo's, and JV's) turn to BRG when looking to:

- Design/Build new GMP facilities
- Remedy underperforming GMP sites
- Plan and Execute Site Selection
- Audit/Award/Replace a CDMO
- Acquire GMP Sites
- Create & Execute Master Hiring Plan
- Bridge Hiring Gap with SME Augmentation
- Business Development, Marketing, Trademarks
- All the above!

BRG works shoulder-to-shoulder with your team at your Site(s) enabling your therapeutic programs to advance and save/improve lives.

This is a great victory for you, your teams, and patients. This victory is always GOAL#1!

As global biotechnology consultants, Biotech Resources Group (BRG) helps you become the **best** biotech manufacturer.

Pervasive Challenge:

Biopharma companies frequently encounter opportunities for growth/expansion as well as persistent GMP-QMS problems...often, both at the same time!

As commercial GMP consultants, we understand how stressful this can be.

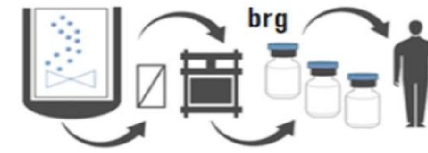

Given this, Biopharma Co's pivot to BRG to solve problems that really matter:

- ◆ Remedy Insufficient Capacity DS, DP
- ◆ Remedy Dysfunctional Capacity DS, DP
- ◆ Provide Technical/Ops Leadership
- ◆ Provide QMS Leadership
- ◆ Provide Horsepower to keep pace
- ◆ De-risk the Commercial/CDMO journey

WHAT'S AT STAKE?

NO BRIDGEONE

NO PRIZE

CHALLENGE + OPPORTUNITY

We know this part.

STEP 1

CONSEQUENCE OF INACTION

Facility Shut-Down, Attrition
Loss of Patient / Community Trust
Loss of Investor Confidence
Revenue Loss / Customers leaving
Loss of Competitive Edge
Severe Regulatory Citations
Reputation with Industry Peers
Missed Opportunity for Growth
Delayed Trials / Commercialization
You get the idea

STEP 2

While hitting bottom and climbing-out certainly builds grit, there are wiser ways to use your resources !

STEP 3

HELPING YOU BECOME
THE BEST BIOTECH
MANUFACTURER
